Important dates

The final indoor training before the summer break will be on Monday 7th December. On Wednesday 9th December we will have our annual prize giving, so keep that date free.

We plan on having training the following week at the step ups, weather permitting and also intermittently during the summer holidays. Keep an eye on our Facebook page for these training dates and everyone is welcome to come along to them.

Cubs class will restart on 1st February in 2021 and the early and late classes will start back on 18th January.

Grading

Congratulations to all the coloured belts who graded in October. This was a great grading for the club.

Congratulations also to the new black belts in the club (Simon, Andy, Anthea). It is fantastic that we now have so many black belts.

Good luck to those grading for black belt this month.

South Island Championships 2021

On 5th June 2021 we will be hosting the South Island Championships in Christchurch. This didn't take place this year, as with most events due to COVID-19. This will be a major fundraiser for our club and we are hoping that club members and their parents will be willing to assist the committee with the planning and running of this event. We'll be in touch with more information about the help we need early next year. Of course, we also hope to have lots of members competing in this tournament. The club pays entry fees for TUNZ tournaments, which includes this one.

Class preparedness

In order to make sure that our pads and other equipment don't get damaged it is important to cut your toe nails short. Sharp toe nails cause the pads to scratch and means that they don't last very long. In future, it will be a requirement of participating in training that toe nails are short. If you haven't cut them, you will be asked to cut them prior to joining the class or you will be unable to train using the pads on that occasion.

This is similar to the requirement to bring a mouth guard to every class in order to participate in sparring.

Lions Big Day Out

A big thank you to those that participated and supported us in the demonstration at the Lions Big Day Out on Friday 13th. It was a good show and promotion of the club.

Top of the South Tournament

Well done to all the members who competed in this tournament, especially to those who were competing for the first time. Even those who didn't get a medal put in a big effort in order to compete.
