

## Nationals | 30 September 2017 | Wellington

This year has been amazing with our club growing in numbers and every member aiming high and continuing their learning of Taekwondo.

Our current aim is to send some team members to compete at the **NATIONALS** in Wellington on the 30<sup>th</sup> September 2017. To achieve this goal, we need to fundraise to assist with flights, accommodation and entry fees.

We invite all interested parties to apply to attend the nationals. We appreciate all applicants and some criteria will apply including those who have competed in the South Island tournaments but not limited by this. Remember that the **TOP OF THE SOUTH** tournament is being held in Blenheim in October and is a great first tournament.

### How You Can Help

We will be running the following fundraising activities:

#### Raffles

We request a donation from each student/family to include 1 non-perishable item and 1 bathroom item. We will also be asking for donations from various businesses in the local area. If you can help donate something let us know.

#### Family Pies

We will be sending home order forms.

#### Fitness Challenge

Sponsorship forms coming home on Wednesday 21st. This is set for the 24th July.

#### BBQs

Dates, times and places to be advised. Many hands make light work

#### Great Oxford Garage Sale

We will be holding a joint garage sale within the oxford township and appreciate all saleable goods donated. At the end of the day we appreciate all items not sold collected at earliest convenience. Come on kids. Clean out the toy box and adults empty the garages.

#### Sponsorship

Team/Club Apparel

Please feel free to talk to myself directly  
(Graeme Kettle) or any one of the senior team.
